

New-Zealand Helicopter Fishing north island

Helicopters

Regularly serviced

Pilots

Excellent, many years experience in flying areas

Safety

Comes first!

Flight cancelled if pilot decide not leaving the base because of poor weather conditions

We fish close to Helicopter base, you won't loose your fishing day. We fly another day

If weather poor for flying back, pilot decide not flying, we sleep on more night in hut, extra food with us

Weather is generally good, low risk of cancellation

Unguided helicopter fishing [contact us](#)

Fishing blocks

Fishing blocks with huts, having a roof on your head is really pleasant and provides a great atmosphere.

You will discover very nice waters in pristine areas.

Helicopter fishing most suitable from 1 to 2 people

Fitness level

In term of fitness level, fishing blocks vary from difficult to easy

Sometimes, there is no track along the river, that's why it is crucial to choose the right block on the right day!

You will benefit from our experience regarding fishing location depending on weather forecast and your fitness level

Huts

Closed to helicopter pads and river

Great place to have a sleep, always gets a table, chairs, banks with mattresses, fire place

We provide you gas cooker, cooking utensils, sleeping bags, food and... drinks (very important!)

An experience we are getting used very quickly...

Flights prices

Helicopter flights prices depend on helicopter types, flying time, sites.
